Dear Exene:

I have been a fan of yours for many years now, and have finally decided that I should write to you. I hope that this letter finds you well and your career proceeding successfully. I have heard some stories that X has reunited, for a little while at least. I doubt that you will travel to Victoria on this reunion tour, but I would be very happy if you did. I haven't heard too much about a couple of your other projects such as Auntie Christ, or the poetry tours that you used to do with Lydia Lunch... are these still going on? And how about acting? I know that John Doe has appeared in some films... is this a field you might lend your talents to one day?

Anyway, on the off chance that you might be headed to Victoria for any reason, I play in a band called Carolyn Mark & Her Roommates (<http://mintreecs.com/bands/speak/carolyn/>), and would love to play with you if you come to town.

Best Wishes,

Garth Johnson

P.S. Could you send me an autographed picture of you with Lydia Lunch?
