Dear Mr. Gates:

Our teacher has assigned us to write a letter to a person we admire. My name is Garth Johnson and I am 10 years old and I am starting grade 5 at Collwood Elementary School and my teacher's name is Mr. McNeil. When I grow up I want to be a hockey player, but if I can't do that I want to be a computer programmer like my uncle Tolan. When you were 10 what did you want to be? Do you like sports? What kind of computer do you have? Have you ever been to Victoria? Mr. McNeil says that where you are from is a lot like Victoria. I hope to go to the United States one day. My dad says maybe we can go next summer.

Your friend,

Garth Johnson

P.S. Could you send me an autograph picture for my collection?
