Dear Garth,

Thank you for your letter to Mr. Bill Gates on October 30, 2000. Mr. Gates is honored that you would find his life and achievements important enough, to write him for your class assignment.

Mr. Gates basic advice is simple and heartfelt: Get the best education you can. Take advantage of high school and college. Learn how to learn.

Mr. Gates believes that students are in school at the perfect time to take advantage of the technological advances from the past two decades, as well as the fascinating advances underway for the future.

Mr. Gates has no doubt that you will endeavor to reach all the goals you set for yourself. Best wishes for a successful school year.

Sincerely,

Kristen Williamson
