Dear Mr. Joe:

This is to inform you that as of this date, **April the 11th of August, 2001**, and for all time, you, **GI JOE**, and all of your minions, have been **officially consigned to Hell**. Regardless of your animate or inanimate status, you will assuredly spend eternity roasting on the fires below with the rest of your ilk. There is nothing you can do now; the die has long since been cast. Perhaps your example will serve as a warning to Barbie and Ken. They need not share the doom that awaits you. For them, there is still time.

So Mote It Be,

Garth Johnson

P.S. If you send me an autographed picture, I'll pray for your soul.
