Dear Mr. Jones:

Here is a recipe that I think you would like...

*Cheddar Beer Spread*

2 1/2 Cups Grated old cheddar cheese  
2 Garlic cloves, minced  
1/2 tsp. Dry mustard  
1 tsp. Worcestershire sauce  
1 tbsp. Sugar  
2 drops Tabasco sauce  
1/2 cup Warm beer

In a mixing bowl, combine cheese, garlic, mustard, Worcestershire sauce, Tabasco sauce, and sugar. Gradually beat in beer. Adjust seasonings to taste.

Pack spread into crocks, small soufflé dishes or custard cups, filling to the brim. Refrigerate overnight so flavours can blend. Serve with crackers or cocktail bread.

Makes 2 cups

Bon appetite,

Garth Johnson

P.S. Would you send me an autographed picture for my kitchen?
