Gavin:

You sicken me with your stupid bald guy ways and your stupid bald guy roles and your whole stupid bald guy acting career. You should have gone the way of Telly Savalas or Yul Brenner (both with the hair and the "how come those guys are dead, and yet you're still alive" way). You suck, you always have sucked, and if I'm any judge of character, you always will suck. I am not alone in this opinion... therefore, I am writing to inform you that I, and several other likeminded individuals have started the "He-Man Gavin McLeod Haters Club". Membership now stands at 23 hardcore, dyed in the wool, rabid and, most importantly, committed, Gavin McLeod Haters. That number is only sure to grow. We have concerts, field trips, and a newsletter. Rest assured, one day we will come for you.

Consider yourself warned,

Garth Johnson, President  
H.M.G.M.H.C

P.S. Could you send us an autographed picture for our clubhouse?
