Dear Miss Zadora:

Congratulations!!! You have been chosen as the **Winner** of the **5th Annual Chambers Street Retro Film Festival - Coolest Actress Award**.

The Festival was once again a huge success. Crowds were up, and last years unpleasantness was, happily, forgotten. Screenings of such films as "Butterfly", "The Wilderness Family Pt. 2", and "That Darn Cat" were all strong draws, as was our special "bring your pajamas" midnight showing of "Fanny and Alexander".

As Tolan McNeil of the Victoria Times Colonist said, *"who says Victorians don't know how to have a good time... I'll be there next year with bells on."*

Sadly, last years winner of the Coolest Actress Award (Tuesday Weld) was unwilling to part with the trophy, so at this point, we can't actually send you anything except our congratulations, and an invitation to dinner if you are ever in Victoria

Best Wishes With Your Further Endeavors,

Garth Johnson, Vice-chairman  
Chambers Street Film Society

P.S. Could you please send us an autographed picture our records?
